EDUCATION

Universidad Privada de San Pedro (USAP)   San Pedro Sula, Honduras
Bachelor of Arts in Computer Science, Minor in Networking   *Aug. 2017 – Sep. 2021*

EXPERIENCE

Fullstack Developer   Nov. 2022 – Present
Zonamerica   *Montevideo, Uruguay*
- Worked on a React Native project to develop a cross-platform mobile app for a large retail client.
- Developed and maintained RESTful APIs using .NET Web API, and integrated with external systems using JSON and XML
- Troubleshoot and resolve technical issues, including bugs, performance bottlenecks, and production incidents.
- Collaborate with cross-functional teams, including product managers, designers, and other developers, to define product features and requirements.

Software Developer   Jan. 2022 – Nov. 2022
Tegra   *San Pedro Sula, Honduras*
- Built Enterprise level tools for industrial processes.
- Implemented CI/CD on all ongoing projects.
- Developed and maintained multiple mobile apps for the manufacturing area.
- Gathered and reorganized all internal developments in Azure DevOps.
- Worked together with other companies, such as Nike and Fanatics.

Web Developer   Feb. 2020 – Dec. 2021
Credisol   *San Pedro Sula, Honduras*
- Cooperated with designers to create clean interfaces and simple, intuitive interactions and experiences.
- Worked with senior developers to manage large, complex design projects for corporate clients.
- Completed detailed programming and development tasks for front-end public and internal websites as well as challenging back-end server code.
- Used Java and JSF to build a banking platform for a financial services client, implementing payment integrations and order tracking features.
- Carried out quality assurance tests to discover errors and optimize usability.
- Obtained various trainings focused on the financial area.
